DEPARTMENT of AGRARIAN REFORM

ADMINISTRATIVE ORDER NO. 05
Series of 1996

SUBJECT: RULES AND PROCEDURES GOVERNING THE ISSUANCE OF IDENTIFICATION CARDS (IDs) TO ALL AGRARIAN REFORM BENEFICIARIES (ARBs) WITH REGISTERED EP, CLOA, HOMESTEAD PATENT, AND LEASEHOLD CONTRACT

I. PREFATORY STATEMENT

Section 15 of Republic Act No. 6657, as implemented by Administrative Order No. 10, Series of 1989 provides that the Department of Agrarian Reform (DAR), in coordination with the Barangay Agrarian Reform Committee (BARC), shall register all agricultural lessees, tenants and farmworkers who are qualified beneficiaries of the CARP.

The objective of the said provision of law and its implementing guidelines is to develop a databank of potential and qualified beneficiaries of the CARP and to identify the actual farmer-beneficiaries for the effective implementation of the program. However, in order to give full recognition to the farmers/farmworkers, there is a need to provide them with an Identification Card (ID) as proof of their being bonafide beneficiaries of the agrarian reform program. Such ID shall be issued individually to agrarian reform beneficiaries (ARBs) nationwide.

II. POLICY STATEMENT

1. The issuance of Identification Cards (IDs) to agrarian reform beneficiaries shall be based on the masterlist of registered qualified beneficiaries who have received duly registered Certificates of Land Ownership Award (CLOAs) or Emancipation Patents (EPs), are recipients of titles to agricultural landed estates pursuant to R.A. Nos. 1400 and 3844 as amended by R.A. No. 6389 and other laws, Homestead Patents on Settlement Areas, or are Registered Leasehold Contract holders.
2. Beneficiaries who are found to have violated the provisions of R.A. No. 6657 and other existing agrarian laws and issuances shall be delisted from the masterlist of qualified beneficiaries and the IDs issued in their favor recalled and cancelled by the DAR. The cancellation of IDs shall be done simultaneously with the cancellation of EPs or CLOAs per Administrative Order No. 02, Series of 1994, homestead patents, as well as the cancellation of leasehold contracts by the DAR Adjudication Board.

3. To facilitate and systematize the issuance of IDs to the ARBs and to avoid duplication, the RURBAN Code system used under Operation Land Transfer (OLT) shall be adopted in the numbering of IDs. The code consists of six (6) characters. The Region, Province, and the Municipality are assigned two (2) characters each. An additional five (5) characters shall be provided to represent the beneficiary's number within the specific municipality. (See Annex "A")
4. Funds needed for the generation of IDs shall be charged to the respective DARPOs under their regular allotment for supplies and materials.
5. The IDs shall be controlled, issued and signed by the Regional Director and shall contain the ARB's personal circumstances. The ID shall be officially used by the ARB in identifying himself/herself and in securing credit assistance and other support services that may be extended by concerned government agencies.
6. In the case of new beneficiaries, ID shall only be issued after the actual issuance of EPs, CLOAs, leasehold contracts, homestead patents or other titles issued by the DAR to the ARB.

III. COVERAGE

This Administrative Order shall cover all registered qualified agrarian reform beneficiaries who have been issued CLOAs, EPs, recipients of title to agricultural landed estates pursuant to R.A.
