

DEPARTMENT OF AGRARIAN REFORM
Diliman, Quezon City

LAND BANK OF THE PHILIPPINES
Makati, Metro Manila

JOINT DAR-LBP ADMINISTRATIVE ORDER NO. 03
Series of 1994

SUBJECT : POLICY GUIDELINES AND PROCEDURES GOVERNING THE ACQUISITION AND DISTRIBUTION OF AGRICULTURAL LANDS AFFECTED BY THE MT. PINATUBO ERUPTIONS

I. PREFATORY STATEMENT

It has been determined that the effects of volcanic eruptions of Mount Pinatubo have drastically affected our agrarian reform program in terms of land acquisition and distribution, landowners compensation and farmers amortization.

Based on the information provided by the Philippine Institute of Volcanology and Seismology (PHIVOLCS) approximately 6.65 billion cubic meters of pyroclastic flow were deposited on the slopes of Mt. Pinatubo since it first erupted on June 12, 1991. Out of these pyroclastic deposits, the PHIVOLCS has estimated that 50% will be washed away from Mt. Pinatubo's slopes for over a period of ten (10) years.

As of 1992, the PHIVOLCS has observed that 37% or 1.32 billion cubic meters of pyroclastic deposits had flowed down the Mt. Pinatubo slopes and settled on low lying areas of almost all the provinces in Region III and Pangasinan in Region I, and it is estimated that this will further increase in the succeeding years.

It has been noted that there is no definite pattern in the direction of flow of lahar such that those formerly unaffected lands became depositories thereof, thus affecting their utilization and productivity as well as their suitability for agricultural activity.

In this connection, the Department of Agrarian Reform (DAR) and the Land Bank of the Philippines (LBP), realizing the need to address these problems, have formulated these policy guidelines and procedures on the land acquisition, distribution, landowners compensation, as well as the concomitant obligation of the agrarian reform beneficiaries to pay for the lands awarded to them.

II. COVERAGE

These rules shall cover all private agricultural lands subject of Operation Land Transfer under PD 27/EO 228, Voluntary Offer to Sell (VOS) and Compulsory Acquisition

[Handwritten signature]

[Handwritten signature]

(CA) under RA 6657 and all other agricultural lands transferred to the DAR pursuant to EO 407, as amended, which are affected by the Mt. Pinatubo eruptions.

III. CATEGORIES

Agricultural lands affected by the Mt. Pinatubo eruptions are classified into three (3) categories based on the recent NEDA Regional Office No. 3 Geographic Information System (GIS) Database and on the Pinatubo Volcano Lahar Hazard Map, and on actual ocular inspection.

1. Category I (actually affected)

These are agricultural lands which are covered with lahar and pyroclastic deposits, including those areas which have become silted, eroded or continuously flooded for an indefinite period of time, as a result of the Mt. Pinatubo eruptions.

2. Category II (not yet affected)

These are agricultural lands not falling under Category I as described above but have the possibility of being actually affected as appearing on the aforementioned map.

3. Category III (lands covered by ashfall)

These are agricultural lands actually covered or affected by ashfall but the same remain to be productive.

IV. POLICY

1. The acquisition and distribution of agricultural lands classified under Categories I & II shall be deferred until such time that the Department of Agrarian Reform, Land Bank of the Philippines and Department of Agriculture (DA) in coordination with other competent authorities shall have determined their suitability to agricultural production or they shall have been declared as no longer within the endangered area.
2. As a general rule, agricultural lands classified under Category III shall be acquired and distributed.
3. The compensation of landowners of agricultural lands falling under Categories I and II shall be effected under the following circumstances:

- 3.1 Claims approved by LBP
- 3.1.1 The landowner has executed a Deed of Assignment, Warranty and Undertaking (DAWU) on or before the issuance of this Order; or
- 3.1.2 Transfer Certificate of Title was already registered in the name of RP on or before the issuance of this Order; or
- 3.1.3 Partial payment was already effected.
- 3.2 Emancipation Patents/Certificates of Land Ownership Award registered on or before June 12, 1991 regardless of whether or not the claim folder is with the Land Bank of the Philippines.
4. The compensation of landowners of lands falling under Category III shall continue.
5. Payment of amortization is the major obligation and responsibility of a farmer beneficiary under the agrarian reform program. However, said payment shall be deferred if subject landholding falls under Category I until such time that the land becomes productive again, without prejudice to the farmer's voluntary payment of amortization. The deferment of payment shall not take effect until after the farmer has notified Land Bank in writing of his intention of deferring payment and the same is approved by the Land Bank. In case of direct payment scheme, the amortization payment shall likewise be deferred. In such case, it shall be the responsibility of the farmer-beneficiary concerned to notify the landowner in writing with the assistance of DAR of his intention to defer payment pursuant to this Order. (Refer to Annex "A").
6. Under Categories II and III, the farmer shall continue to pay the amortization until the subject landholding has been determined to be within Category I in which case, the notice of deferment and approval thereof shall be required as discussed in the preceding policy.

V. OPERATING PROCEDURES

1. In addition to the usual land acquisition and distribution documentation, an ocular inspection report shall be jointly signed and submitted by DAR, LBP, DA and BARC representatives using the annex form to determine, among others, the actual category of the landholding subject of acquisition and distribution pursuant to Item No. III. (Refer to Annex "B").

Be. / 8

2. A copy of the ocular inspection report shall be posted for at least ten (10) days in the barangay hall and municipal hall where the property is located for the purpose of informing the affected landowners, farmer beneficiaries and other interested parties provided that non-resident landowner shall be notified in writing of the aforesaid ocular inspection report.
3. Regarding the farmer beneficiary's request for the deferment of amortization pursuant to Section III-5 hereof, the LBP shall immediately act on the same upon receipt thereof and inform the farmer beneficiary concerned of the action taken thereon.

VI. PERIODIC REVIEW

These policy guidelines shall be subject to periodic review as the need arises.

VII. EFFECTIVITY

This Order shall take effect ten (10) days after its publication in two (2) national newspapers of general circulation.

Diliman, Quezon City, *March 4*, 1994.

Field Office
Land Bank of the Philippines

Subject: Request for Deferment of Land Amortization

Sir/Madam:

This refers to my farmholding covered by CLT/EP/CLOA No. _____, involving _____ hectares which is a portion of the _____ Estate located at _____.

Please be informed that subject farmholding was adversely affected by the Mt. Pinatubo eruptions which is at present (check appropriate box/es)

- covered with lahar and pyroclastic deposits
 silted
 eroded
 continuously flooded for an indefinite period of time

Additional Remarks: _____

In this regard, may I request for the deferment of the land amortization of said farmholding until such time that the same shall become productive again, in which case I shall inform LBP accordingly.

Very truly yours,

Agrarian Reform Beneficiary

Dear Sir/Madam:

Please be informed that per our ocular inspection with DAR, your landholding was already adversely affected by the Mt. Pinatubo eruptions.

In this regard, the release of payment of your landholding will be deferred until such time that the land will be productive and declared safe for acquisition.

Very truly yours,

LBP Representative

List of Evacuation Centers in The Pinatubo Volcano Lahar Hazard Map

(Quadrant 1)

September 17, 1992

Province/Municipality Evacuation Center (Number/Name)	Barangay	Capacity (Number of Persons)	Number of Wells	Number of Toilets
DINALUPIHAN, BATAAN		53	1	2
1 Luakan High School	LUAKAN	53	1	2
CASTILLEJOS, ZAMBALES		1,033	4	16
1 Magsaysay E/S	MAGSAYSAY	636	3	14
2 Balaybay Elementary	BALAYBAY	397	1	2
OLONGAPO CITY		100	0	15
1 Sta. Rita E/S	SANTA RITA	100	0	15
SAN ANTONIO, ZAMBALES		265	1	2
1 Rizal E/S	RIZAL	265	1	2
SAN FELIPE, ZAMBALES		530	3	2
1 Maloma Community School	MALOMA	265	3	2
2 Sindol E/S	SINDOL	265	1	1
SAN MARCELINO, ZAMBALES		583	2	6
1 Nagbunga E/S	NAGBUNGA	371	2	2
2 San Rafael E/S	SAN RAFAEL	212	0	4
SAN NARCISO, ZAMBALES		503	3	9
1 Grullo E/S	GRULLO	265	2	6
2 Omayá E/S	OMAYA	26	0	2
3 Beddeng Mabangcal Elem.	BEDDENG	212	1	1

Note: The list includes only evacuation centers whose locations were verified by the NRO III GIS.

In: tev3

Figures used were taken from the Regional Disaster Coordinating Council III.

AFFECTED/THREATENED BARANGAYS, POPULATION AND HOUSEHOLDS PER MUNICIPALITY

(Estimates based on NRO-3 GIS Database and on Pinatubo Volcano Lahar Hazard Map)
September 17, 1992

Province/ Municipality	Affected Barangays			Affected Areas (in Hectares)							
	Number	1990 Population	1990 Number of Households	Prone to Bank Erosion	Prone to Lahar Depositor	Prone to Flooding/ Siltation	Covered by 1991 Pyroclastic Deposit	Covered by Remobilized Ashfall	Pinatubo Crater	Pinatubo Lake	Total
PINATUBO STUDY AREA	595	1,351,976	239,605	1,348.41	76,947.65	37,525.63	16,603.11	2,564.75	447.56	584.05	135,021.16
