DEPARTMENT of AGRARIAN REFORM

DEPARTMENT MEMO-CIRCULAR NO. 4
TO : All Regional Directors
PAROs and MAROs
FROM : SECRETARY PHILIP ELLA JUICO
DATE : MARCH 27, 1989
SUBJECT : CERTIFICATION OF NON-SUITABILITY FOR CARP ACQUISITION.

During the second DAR-DBP meeting on foreclosed properties held on February 1, 1989, it was agreed that DAR will issue for DBP properties found not suitable to agricultural production a certification of non-suitability for CARP acquisition.

In this regard, the MARO who is responsible for directly implementing the agrarian reform program at the municipal level will issue the said certification after proper investigation and/or verification, supported by recommendations by the duly authorized representatives of the Department of Agriculture (DA) particularly the Bureau of Soils and the Department of Environment and Natural Resources (DENR). With the certification, DAR is clearing the way for DBP to dispose of the property in the manner allowed by law.

For compliance.
