DEPARTMENT  
MEMORANDUM CIRCULAR No. 3  
Series of 1972 RB

In a conference held on June 5, 1972, in the Office of the Undersecretary of Agrarian Reform, regarding the disposition of homelots in the proposed townsite of our Laguna Settlement Project, San Pedro, Laguna, as contained in the Screening and Allocation Report of the Screening Committee created under Special Order No. 72, Series of 1971, dated October 29, 1971, the following part of the recommendations of the Land Distribution Division, dated May 9, 1972, shall be observed.

1. That lots occupied by NARRA settler-allocatees with or without housing loans shall be awarded to them;

2. That lots applied for and occupied by non-NARRA settler-allocatees shall be allocated to them, except those who have other homelots in which case, their applications shall be held in abeyance pending further instructions;

3. That lots 802, 803, 804 and 805 and 806, where Pablo Igonia, applicant of Lot 766, has introduced improvements, shall be resubdivided under a new scheme of subdivision to be prepared by the Land Surveys Division for the purpose, and that in the resubdivision survey, a representative of the Federation of the Free Farmers shall be present;

4. Other matters contained in the said recommendations of the Land Distribution Division shall be the subject of further deliberations.

All Divisions concerned in the matter referred to above shall be guided accordingly.

June 8, 1972.

  
ERNESTO VALDES  
Undersecretary
