<div>E. Written queries from prospective bidders</div>	<div>Are we still required to submit a separate “Statement of Completed Government and Private Contracts Similar to the Contract to be bid?</div> <div>If the bidder submits a Bid Securing Declaration, is there still a need to submit another Bid Security like Surety Bond?</div> <div>On item 5.4, if the bidder bids for the 5 lots, can he use his SLCC under Lot 2 with the highest ABC (50% of ₱19,957,750.00 = ₱9,478,875.00) for the other 4 lots?</div> <div>On item 15.4.a.iv, What are the tools that should be furnished to the end-users?</div>	<div>The form clearly states “Statement of Single Largest/Completed Contracts Similar to the Contract to be Bid” and should therefore, include all such contracts covering the period CY2014-2018.</div> <div>Refer to ITB Clause 18.1 of the Bid Data Sheet which states “The bid security shall be in the form of a Bid Security Declaration (see Annex “E”) <u>or any</u> of the following forms...xxx</div> <div>Yes, the LCC can be used for all the Lots to be participated in.</div> <div>Refer to ITB Clause 15.4(a)(iv) of the Bid Data Sheet</div> <div>Incidental Services (b) furnishing of tools required for assembly and maintenance of the supplied Goods This means all tools that are incidental/necessary/essential</div>								

	<p>We would like to request DAR to specify the minimum drilling/borehole depth for submersible pumps as there can be sites with less than the minimum depth and some sites with more than the minimum depth.</p> <p>Will the BAC consider "Preliminary AMTEC Test Results" while the Final Test Results has not been issued yet by AMTEC?</p> <p>May we request the plans and drawings for the structures for the storage tank and solar array, otherwise, are we allowed to design our own?</p>	<p>The total dynamic head covers the range of depth for the drilling hole for submersible pumps.</p> <p>Yes, provided that the Preliminary AMTEC Test Results/Certificate states that it can be used for BIDDING PURPOSES.</p> <p>The plans and drawings are attached as reference only. Final plans and drawings will be subject for approval by the DAR's authorized representative upon contract implementation.</p>
