MINISTRY MEMORANDUM CIRCULAR NO. 64  
Series of 1984

2/24/84

Due to the imposition of an additional 10% reserve on the budget of MAR for 1984 and in order to implement the specific mandatory measures provided for under LOI 146 to generate savings through cost reduction, it is hereby directed that the use of MAR motor vehicles assigned to offices and/or individual officials shall be temporarily suspended. The Deputy Minister may, however, authorize use of such motor vehicles only when exigencies of the service so requires.

Motor vehicles assigned to the Bureau Directors, Assistant Secretaries, Deputy Minister and such other officials as may be authorized by the Minister are exempted from the suspension order as they are subject to call by the Minister and officials of other agencies at anytime. It is however enjoined that such officials adopt energy conservation measures in order to reduce expenditures and conserve programmed funds of the Ministry.

This Ministry Memorandum Circular shall take effect immediately.
