MEMORANDUM CIRCULAR NO. 8-79
Series of 1979

In our resettlement areas that have been logged over, particularly in Mindanao, a substantial number of rosewood (tuog) have been spared by the loggers. These trees not only maintain the ecological balance in the settlements but also help prevent soil erosion. In view of the vital functions that they render to the newly organized communities, it is hereby ordered that these trees be preserved. A rosewood may be cut only if it is to be used directly in the settlement, otherwise, every tree should be preserved for posterity.

Diliman, Quezon City.

May 7, 1979.

CONRADO F. ESTRELLA
Minister

d.e.
all Div. Dist. Teams
