MINISTRY MEMORANDUM CIRCULAR NO. 18
Series of 1978

In the interest of the service and with the view of implementing the regional concept of administration in relation to territorial jurisdiction, that portion of the Sultan Kudarat Settlement Project No. 2, lying within the Province of South Cotabato is hereby placed under the administration of MAR Regional Office No. XI. Said portion within the province of South Cotabato shall hereafter be known as South Cotabato Resettlement Project and the rest of the settlement area is retained as Sultan Kudarat Settlement Project No. 2.

Henceforth, all phases of work, including the preparation of area development plans, work programs and funding requirements, as well as assignment of personnel in said area shall be under the supervision of the Regional Director, Region XI.

Considering that the two (2) settlements are contiguous, it is directed that the regional directors of Regions XI and XII coordinate closely with each other not only to preclude overlapping of activities but primarily to synchronize and reconcile the implementation of their respective work programs.

All orders, circulars and/or memoranda inconsistent herewith are hereby revoked, superseded or modified as the case may be.

This Circular shall take effect immediately.
