1. Certificate recommendation

Thank you for your cooperation during the recent audit of your organization. This report describes the audit results including strengths, opportunities, and weaknesses. These results, the system evaluation and its recommendation for certification were presented to your management at the closing meeting of the audit. You should now use these results to further strengthen your management system. We look forward to continue our partnership towards sustainable business success.

ISO 9001:2015

Overall evaluation

- The management system is fully effective and fulfils the requirements of the applied standard(s). No nonconformities were identified.

The audit team recommends to DQS in reference to the applied standard:

- The issuance of the certificate.
