Dear Marlon,

We have reviewed the draft Procurement Plan (PP) for the above-mentioned Project, submitted to the Bank on 2022/12/14. Based on the information provided, the Bank has no objection to the Activities marked as "Cleared" in the Procurement Plan. After publication of the procurement plan you may commence implementation of these Activities.

Procurement Plans processed through this system will be automatically published in the World Bank's external website upon receiving the Bank's No Objection and will be archived under the version number indicated above.

Regards,

Kathrine, on behalf of the Task Team
