Section VII Technical Specifications <u>Additional Requirements:</u> 1. Minimum 10 years experience in	From: iSource Asia Business Solutions Corp.	Minimum of 5 years experience in supplying plotter

supplying plotter	Can I suggest that this requirement be deleted? Because there might be a limitation for the other bidders who hasn't been in operation for ten (10) years. Similar to the other supply and delivery projects, where years of experience are not necessary; rather, the manufacturer's authorization or certification for being co-terms service provider/partner is required. I propose that this project will incorporate the same requirement.	
<p><u>Additional Requirements:</u> 2. Specifications of main equipment and external must be reflected in the original brochure, manual that can be downloaded in the website (manufacturer)</p>	<p>From: iSource Asia Business Solutions Corp.</p> <p>In certain cases, some specifications are not included in the brochure, but the manufacturer can certify that the goods will comply with the requirement. Is it acceptable?</p>	<p>Compliance with the technical specifications will be verified based on official documents issued by the manufacturer such as but not limited to brochures, and manuals.</p>
<p>Paper Feed Method: Warranty: 3years on Parts and Service including PrintHead</p>	<p>From: iSource Asia Business Solutions Corp.</p> <p>The warranty indicated in the technical specifications is three (3) years while in Section V Special Conditions of Contract (SCC) Clause 17.3, the warranty period specified is one (1) year, which will prevail?</p>	<p>The duration of the warranty period as specified in the technical specifications shall apply.</p>
<p>Standard Interface- USB 2.0</p>	<p>From: Gakken Philippines Inc.</p> <p>Standard Interface- Can we relax to Direct USB Port</p>	<p>The Specifications as stated in the Bid documents shall be maintained.</p>
<p>OS Compatibility: Windows 32 bit – XP, Vista, 7, 8, 8.1, Server 2003/2003R2, Server 2008</p>	<p>From: iSource Asia Business Solutions Corp.</p> <p>Server 2003/2003R2 is no longer supported by most of plotter printer.
