

CLARIFICATIONS/SUPPLEMENTAL BID BULLETIN NO. 1-A

July 09, 2024

CLARIFICATIONS FOR THE PROCUREMENT OF REPAIR AND REHABILITATION OF THE PERIMETER FENCE FRONTING ELLIPTICAL ROAD

This Supplemental Bid Bulletin No. 1-A is issued to clarify certain provisions of the Bid Data Sheet, Bill of Quantities and to address the queries of the prospective bidder that were raised during the Pre-Bid Conference held on July 03, 2024.

NO.	SECTIONS/ CLAUSES AFFECTED	PROSPECTIVE BIDDERS' QUERIES	DAR'S CLARIFICATION/RESPONSE
1	<p>Section III. Bid Data Sheet</p> <p>ITB Clause 5.2. For this purpose, contracts similar to the Project refer to contracts which have the same major categories of work, which shall be: <i>Construction or Repair/Rehabilitation of Perimeter Fence with Stainless Steel Gates</i></p>	<p>Can we submit a contract wherein the perimeter fence repair is only a part scope of work of the whole project?</p>	<p>Yes, it is permissible as long as it amounts to at least fifty percent (50%) of the Approved Budget for the Contract (ABC).</p>
2	<p>Section VIII. Bill of Quantities</p>	<p>No percentage was indicated on the Overhead, Contingencies, and Miscellaneous (OCM).</p>	<p>Please refer with the latest DPWH Department Order for your reference.</p>
3	<p>Other Queries:</p> <p>Label of gates</p> <p>Staging area and Electricity</p> <p>Electrical works</p>	<p>Could we request more concise labeling for the gates?</p> <p>Since welding works are involved in the gate repair, could you confirm if there will be a designated staging area at DARCO and if there will be an available electricity tap in that area?</p> <p>Are the cable works not included as stated in the Bill of Quantities?</p>	<p>All details and drawings provided in the Philippine Bidding Document (PBD) comply with the National Structural Code of the Philippines (NSCP). We can furnish copies of the drawings upon request.</p> <p>We are unable to permit electricity tapping as we require three-phase welding machine. As for the staging area, this is approved by the Administrative Service Director.</p> <p>Yes, the cable works are not included because the wirings are already covered in the roughing-</p>

			the Technical Specifications in the PBD.
	Finishing	What kind of finishing is required for surface, fence, etc.?	The required finishing is smooth with lines. If there are changes to the design, the assistance of the winning bidder will be necessary.
	Site Inspection	Is a site inspection certificate necessary during the bid opening?	Yes, it is necessary.
	Copies of Bid document	How many sets of bidding documents do we need to provide during the bid opening?	Bidders are required to submit one (1) set of bidding documents initially during bid opening. However, an additional five (5) copies will be required during the post-qualification phase.
